A quick guide to

STRONG PASSWORDS

Tips for creating and saving
your online passwords

THREE RANDOM WORDS

The longer it is, the stronger it becomes. Turn your password into a passphrase.

BE CHARACTER SAVVY

Don't use obvious sequences or correct grammar in passwords.

DON'T USE PERSONAL INFO FOR PASSWORDS

Avoid using birthdays or names of loved ones.

STOP RECYCLING

Use separate passwords for all
your accounts.

MFA MATTERS

Multi-factor authentication stops criminals accessing your accounts even if they have your password.

PASSWORD MANAGERS

Make it easy for yourself! Use a password manager to create and store strong passwords.
